  - Phone: (301) 562-7200
  - Website: http://neurologycenter.com/savani.php

Columbia:

- Dr. William Leahy and his team at Neurological Medicine
  - Phone: 301.982.7944
  - Website: http://www.neuromedpa.com/physicians.shtml

Baltimore/Lutherville:

- Dr. Francis J. Mwaisela and Dr. Marcella V. Mwaisela:
  - Phone: 410.321.6055
  - Website: http://www.towsonneurology.com/locations.shtml

The following neurology centers have multiple neurologists and by calling them you can most likely find one neurologist who specializes for your specific issues/symptoms:

Washington DC/Chevy Chase area:

- The Neurology Center (seven branches 24 neurologists)
  - Phone number: 301.562.7200
  - Website: http://www.neurologycenter.com/

Columbia, MD

- Neurological medicine (three branches, six neurologists)
  - Phone number: Tel: 301.982.7944
  - Website: http://www.neuromedpa.com/index.shtml
- Neurology physicians (three neurologists, one location in Columbia)
  - Phone number: 410-884-0191
  - Website: http://www.neurophysicians.info/

Baltimore, MD

- Johns Hopkins Hospital (two main branches, 114 neurologists and neurosurgeons)
  - Phone number: 410-955-9441
  - Website: http://www.hopkinsmedicine.org/neurology_neurosurgery/
- University of Maryland (one main location, 40 neurologists)
  - Phone number: 410-328-4323
  - Website: http://medschool.umaryland.edu/neurology/contact.asp
- Lifebridge health (two main locations, 12 neurologists)
  - Phone number: 410-601-9515
  - Website: http://www.lifebridgehealth.org/Sinai/DepartmentofNeurology1.aspx
- GBMC (one main location, four neurologists)
  - Phone number: 443-849-4145
  - Website: http://www.gbmc.org/Neurology

The following neurologists are well-known for being experts in their subspecialty field and I highly recommend them:

Dizziness and vertigo:

- Dr. Nathaniel Carter
  - Phone number: 410-740-1000
  - Website: http://mdneuroeyeandear.com/

Parkinson's disease, gait imbalance, and movement disorders:

- Dr. Joe Savitt
  - Phone number: 443-755-0030
  - Website: http://www.pdmdcenter.com/index_frame.html
- Dr. Howard Weiss
  - Phone number: 410.367.7600
  - Website: http://www.lifebridgehealth.org/BrainSpine/HowardDWeissMD.aspx

Seizures/Epilepsy:

- Dr. Francis Mwasella
  - Phone: 410.321.6055
  - Website: http://www.towsonneurology.com/locations.shtml

- Dr. Arash Foroughi
  - Phone number: 410.601.9515
  - Website: http://www.lifebridgehealth.org/Main/LifeBridgeHealthPhysicianDirectory/Foroughi-Arash-MD-1096.aspx

- Dr. Greg Krauss:
  - Phone number: (410) 955-2822
  - Website: http://www.hopkinsmedicine.org/profiles/results/directory/profile/0004143/gregory-krauss

Headache:

- Dr. Marcella Mwasella:
  - Phone: 410.321.6055
  - Website: http://www.towsonneurology.com/locations.shtml

- Dr. Marcia Ribeiro (private pay only, no insurance accepted):
  - Phone: 410.602.1999
  - Website: http://www.mahinst.com/DrRibeiro.htm

Memory & Dementia: To my knowledge no other physician in Maryland provides a brain fitness program similar to ours). However, the following physicians at Hopkins provide excellent standard of care in this field:

- Dr. Kostas Lyketsos
  - Phone number: 410-550-6337
  - Website: http://www.hopkinsmedicine.org/profiles/results/directory/profile/0004302/constantine-lyketsos

- Dr. Chiadi Onyeki
  - Phone: 410-502-2981
  - Website: http://www.hopkinsmedicine.org/psychiatry/about/publications/newsletter/archive/06-fall/onyike_dementia.html

Concussion:

- Dr. Kevin Crutchfeld
  - Phone: 410-601-9515
  - Website: http://www.lifebridgehealth.org/Main/LifeBridgeHealthPhysicianDirectory/Crutchfield-Kevin-E-MD-887.aspx

Stroke:

- Dr. Adrian Goldszmidt
  - Phone: 410-601-9515
  - Website: http://www.lifebridgehealth.org/BrainSpine/AdrianJGoldszmidtMD.aspx
